Our Payment Policy

Our goal is for you to experience the uniqueness of Laurel Oaks with as little financial burden to your family as possible. For your convenience, we offer a number of payment options such as cash, check, debit or credit card, insurance assignment, payment from a forwarding or receiving funeral home, pre-paid funeral plan with Laurel Oaks or another funeral home, and Lending USA. Please be aware that payment is due at the time of arrangements. If you are not prepared at this time, then payment must be received no later than 48 hours prior to the services. If you choose to pay by insurance assignment, the life insurance policy must be verified no later than 48 hours prior to the service, assignable, and non-contestable. (A contestable period is usually two years from the date the policy is written.) A fee of 3% will be applied to the funeral contract amount or a minimum.

We also work closely with a company called Lending USA which specializes in loans for funeral expenses and will be happy to assist you in applying for this service.

In most areas of the country, state or local law does not require that you buy a container to surround the casket or urn in the grave. However, many cemeteries, including Laurel Oaks Memorial Park, require that you have such a container so that the grave does not collapse. Either a grave liner or a burial vault will satisfy these requirements.
